

COVID-19 Passenger Guidelines – Airport Shuttles

To help make your trip as safe and enjoyable as possible, we have developed the following guidelines:

- You and all members of your group are expected to bring your own mask/face covering to wear at all times while on the airport shuttle.
- The shuttle will be thoroughly disinfected prior to your trip's departure and the driver will carry additional cleaning supplies to wipe down high touch surfaces throughout your trip. We encourage you and your group members to bring additional cleaning wipes if you would like to supplement cleaning of personal areas. ****Also, all vehicles are equipped with an air filtration system****
- Hand sanitizer dispensers are located at the front of the coach. We encourage you and your group members to bring additional hand sanitizer for use throughout the trip.
- The Driver will be required to wear a mask/face covering while in direct contact with passengers. (loading/unloading passengers and luggage) If the driver feels the mask will inhibit his/her driving, they may remove the mask while the bus is in motion. For additional protection, we prefer no passengers seated directly behind the driver.
- We can sit couples or family members together, but allow for extra space if needed, between single travelers. If you are not comfortable sitting next to someone apart from your group, let Karst Stage office staff know.
- Please maintain physical distancing as you enter and exit the shuttle; accordingly, we will load the shuttle from back to front and unload from front to back.
- Snacks and drinks are allowed onboard the shuttle, but we ask that as a courtesy to other passengers, you enjoy them in a timely manner and then put your face covering/mask back on after eating/drinking.
- Please remove any personal items and trash when you depart the coach at the end of your trip.
- Should you or any of your group members become sick or exhibit any symptoms related to COVID-19 during your trip, please alert Karst Stage office immediately.
- Drivers are always appreciative of your cash gratuities. You can plan ahead by bringing an envelope for distribution.

Thank you for traveling with Karst Stage and we hope you enjoy your trip!
